(INTELLIGENCE ADVISORY COMMITTEE

Proposed Rescission of NSCIDs 11 and 12

1. The IAC agencies have concurred in the proposal set forth in IAC-D-78/1 to revise NSCID-11 and incorporate therein certain material from NSCID-12.

2. Upon considering this proposal the Director of Central Intelligence believes that both NSCIDs 11 and 12 should be rescinded as superfluous. These documents, he feels, state what is today obvious to the intelligence community, add nothing respecting the Director's statutory responsibilities that is not already clear in the National Security Act of 1947, and hence are unnecessary.

Recommendations:

3. It is recommended that:

(a) The IAC concur in the proposal to request the NSC to rescind NSCIDs 11 and 12;

(b) The IAC concur in the renumbering of DCID 11/1 as DCID 1/2 and in the revision of the preamble to refer to NSCID 1, paragraph 3.

4. Please telephone your concurrence or comments to the undersigned by _____.
